

The Honey Lake Valley Resource Conservation District (RCD) has one (1) opening on its Board of Directors. Applications are being accepted by the Lassen County Clerk until **Monday, January 24, 2022** by 4:30 p.m.

The mission of the Honey Lake Valley RCD is to conserve, restore, and sustain local agricultural and natural resources for those who live, work, or visit the service area to foster a viable economy by seeking and coordinating technical, educational and financial resources. Information about the RCD can be found at [www.honeylakevalleyrcd.us](http://www.honeylakevalleyrcd.us).

Leadership and governance of the Honey Lake Valley RCD is provided by a five-member volunteer Board of Directors, which consists of local landowners with diverse backgrounds and interests. The role of the Directors is to establish priorities, set policies and guidelines and oversee general operations. However, due to the District's limitations, it is not unusual for a Director to actively engage in program/project planning or implementation. The board meets monthly. Currently, day to day management is conducted by a full-time District Manager. The work of the District is performed by the District Manager and a full-time Deputy Watermaster.

Direct questions about the RCD or board work to District Manager Andrea Stuemky at 530-260-0067, or [astuemky@honeylakevalleyrcd.us](mailto:astuemky@honeylakevalleyrcd.us).

The application can be downloaded [here](#) and printed or one is available from the County Clerk's office at 220 S. Lassen St., Suite #5, Susanville, between the hours of 9 a.m. to 4:30 p.m.
