- Adjustment of dams and diversions; modification of 2x6 or larger boards, turning of wheel headgates
- Collect detailed records of daily activities, including areas visited, measured flows and diversions, diversion adjustments, significant conversations and phone calls, and problems. Maintain a copy of these records in the RCD office.
- Drive in rough terrain utilizing either UTV or a truck.

Legal Decree Administration:

- Ensures water right holders are receiving their water right allotment as described by adjudicated decrees.
- Maintenance of up-to-date records of decree information and present-day owners.
- Read and comprehend the Decrees and recorded agreements that define water rights within the Susan River Watermaster Service Area (WMSA)
- Dispute resolution between water users
- Maintain and update field schedule, control cards, and ArcGIS map database for each stream in the Susan River WMSA.
- Determine one's own work hours and overtime as needed to achieve effective and timely administration of the decrees.

Office Work: (25%)

- Office Work is year-round but heaviest November and February and when stream flows are low during the irrigation season.
- Year-round office work includes secretarial work such as scanning and filing receipts, handling mail, file sorting, and maintenance of fieldwork data records in the RCD office.
- Handle the acquisition, creation, or maintenance of equipment, vehicles, and databases.
- The contacting of water right holders about such items as precipitation, likely runoff, and consequences to diversions, problems with diversions and diversion structures, and disputes between water right holders.
- Work directly with HLVRCD legal team regarding current litigation and retrieve any additional documentation that is necessary.
- The Wastermaster is encouraged to develop projects, reach out to cooperative agencies and engineering firms in order to apply for Grants for the Service Area.
- Expand the Operations Manual for the Susan River WMSA.

Reporting:

- Develop Annual Use Report to be submitted to the Lassen County Superior Court, which includes the irrigation seasons measures and happenings.
- Create a Bi-monthly written report for Watermaster Advisory Committee (WAC) meetings, summarizing the past 2 months' activities and water conditions.

Public Relations:

- Field phone calls, texts, and emails from water users' questions about the water availability, concerns or problems within 24 hours.
- Wield authority necessary to order water users to curtail water or limit water diversion in accordance with water usage limits described in the decrees.
- Take necessary measures in the field and office to resolve disagreements between water right holders over water rights.

Watermaster Service Annual Budget and Apportionment:

- Work with the RCD District Manager to develop an annual Watermaster Service budget.
- Gather information from the County Assessor's Office and other entities to maintain accurate records.
- Redetermine water rights as a result of land modifications and sales to determine the water right amount adjudicated to the modern APNs.
- Prepare an annual billing of water service fees for all users proportional to their water right.
- Meet court mandated deadlines for mailing, filing, or notification of water users or government official of various documents.
